INTERNATIONAL COLLABORATION

Through international collaboration, the University of Iceland brings the latest scientific knowledge to Iceland and creates countless opportunities for further cooperation

The University of Iceland runs exchange programmes with over 500 foreign universities, including the top universities in the world according to THE¹

- climate change makes natural resources and transport routes more accessible
- creating
 - threats to fragile ecosystems and societies
 - economic opportunities
- Iceland is one of eight Arctic states

UNIVERSITY OF ICELAND ARCTIC INITIATIVE

- Institute of Earth Sciences
- Institute for Sustainability Studies
- Science Institute
- Social Science Research Institute
- Increase visibility of the University of Iceland in Arctic issues, by:
 - Promoting and integrating research and teaching on Arctic issues within UI and increasing visibility
 - Establishing and strengthening collaboration between UI and other national and international institutions on Arctic issues and proposing areas of specialisation

MODEL AND GOALS FOR THE UI ARCTIC INITIATIVE
